

“In **retail**, I get to work with a wide variety of businesses bringing entertainment, fun, and overall economy growth to our local market.”

Mike grew up in West Michigan and has always appreciated the diverse economy, with philanthropic families that are actively involved in the overall well being of the community. The potential for continued growth in our city is exciting for Mike and he believes that retailers play an integral role in that growth.

Mike began his full career with the redevelopment of a shopping center in Kentwood, Michigan. His foundation and knowledge of the retail real estate market grew through this project and was a catalyst to his success in brokerage. Mike appreciates the diversity of retail brands and co-existing of competitors in the retail world, working hard to grab the customer’s attention. He believes that serving his clients involves honesty, full transparency, and unique deliverables to help them be successful in their goals as a business. He has a true passion to help retail business owners make informed decisions and provides each of his clients with his advice and insights into the market.

He has spent his career serving developers, landlords, sellers, retailers, and restaurants, something he continues to do so today. Mike represents some of the biggest names in retail, including AutoZone, Taco Bell, Hungry Howie’s Pizza, Jimmy John’s, Take 5 Oil Change, 7 Brew Coffee, and Chick-fil-A.

Mike enjoys helping retailers thrive in the West Michigan market. He believes that retailers, restaurants, and entertainment users make up the unique fabric of our local community.
